

We are happy to present a beautiful, custom award to each of the Best of Category winners. These awards are prepared for us by R.S. Owens & Company, maker of the Oscar®. The AGDA Award is created of hefty art glass, measures 7.5" x 7.5" in size, and is fused with additional bold blue glass, with a back hanger added. It displays the American Graphic Design & Advertising identity along with three lines of the winner's choice of information.

In addition, an alternative Award of Distinction is available for purchase by all AGDA winners. The same height and weight as the one described above, it represents your prestigious selection as a winner in the competition that showcases the Best Graphic Design & Advertising in America. These trophies feature red art glass, along with three lines of winner's choice of information etched into the glass.
